PROBLEM STATEMENT

Problem Statement

How Our Marketplace Solves Problem?

- *Our marketplace eliminates the frustration of furniture shopping by offering a wide variety of high-quality, customizable furniture with transparent pricing and seamless delivery. Customers can easily explore designs, compare options, and make informed decisions with detailed product descriptions, real-time availability, and secure transactions. We ensure a smooth, hassle-free shopping experience, bridging the gap between convenience and quality.*

Why This Marketplace is Important?

- *As the demand for online furniture shopping grows, customers need a trusted platform that provides reliability, flexibility, and personalization. Our marketplace not only saves time and effort but also empowers customers to find furniture that fits their space and style. By addressing key challenges in the industry, we contribute to the growth of the digital furniture market, enhancing the overall shopping experience for modern consumers.*

The background is a dark navy blue. In the top-left corner, there are several thin, white, wavy lines that curve towards the center. In the top-right corner, there are more thin, white, wavy lines that curve towards the center. Scattered across the background are several small, glowing dots in shades of orange, yellow, and pink. The number '03' is centered in the upper half of the image in a large, bold, white sans-serif font.

BUSINESS MODEL

A horizontal white line with small white dots at each end, positioned below the title.

Business Model

Our furniture e-commerce marketplace will make money in these ways:

- ***Commission on Sales:*** *The platform earns a commission from the seller on each furniture sale made.*
- ***Premium Membership:*** *Sellers are offered subscription plans that make their products more visible.*
- ***Ads & Featured Listings:*** *Sellers purchase ads and featured listings to promote their products, generating additional revenue for the platform.*

MARKET STRATEGY

A thin white horizontal line spans the width of the text below it, with a small white dot at each end.

Marketing Strategy

- We will use the following simple strategies to acquire and retain customers for our furniture e-commerce marketplace:
- **Online Advertising:** We will run ads on Google, Instagram, and Facebook to reach customers looking for furniture and showcase our products.
- **Social Media:** We will engage with customers on social media by sharing home decor tips and new products to keep them informed and excited about our marketplace.
- **Email Marketing:** We will send special offers and personalized recommendations through email to encourage customers to make repeat purchases.
- **Referral Program:** We will introduce a referral program where customers can earn discounts or rewards by inviting others to shop on our marketplace.
- **Customer Support:** We will provide excellent customer service to ensure customers are happy and come back to shop again.
- These strategies will help us not only attract new customers but also keep existing customers coming back for more.

The background is a dark navy blue. It features two large, symmetrical, wavy patterns on the left and right sides, composed of many thin, light pink lines that create a sense of motion and depth. Scattered throughout the background are several small, glowing dots in shades of pink and orange, adding a subtle, ethereal feel to the overall design.

THANKS!

We appreciate your time and interest in our marketplace.
Feel free to explore our platform and transform your home with high-quality, customizable furniture.
